Image rights & design notice

Illustrative design snapshot

The full Informatics EU visual composition includes the corporate symbol and wordmark, digital globe, crane, scaffolding, helmet, cubes, headline, countdown and progress indicator.

Origin and applicable rights

Informatics EU selected, adapted and curated this visual composition for informatics-eu.gr. The design incorporates AI-assisted artwork, corporate identifiers and layout elements.

Third-party usage

Use of the company logo or protected elements of this specific composition may require prior permission from the applicable rights holder, to the extent protected by law. Requests: contact@informatics-eu.gr.

The countdown and progress bar in this static document are illustrative; they are dynamic on the live website. This notice is not an official registration or certification of exclusive rights.
